## **INFORMATION ON AMENDMENTS TO THE TERMS OF REFERENCE AND TIME LIMIT FOR SUBMITTING THE BIDS**

Re.: Proceedings conducted under an open tender procedure for "Rendering services in the scope of searching for, recovering and documenting lost fishing nets in the German zone of the Baltic Sea" Description of the case (reference number): 01/12/18/MK/ID.

Acting under the art. 38 paragraph 4 of the Act of 29 January 2004 - Public Procurement Law (i.e. Journal of Laws of 2017, item 1579 as amended), the Contracting Entity amends the Terms of Reference ("ToR") to the following extent:

### **1) Point 3.3. of the ToR - Detailed description of the subject matter of the contract – obtains the following reading:**

"The subject matter of the tender is to conduct a sea action involving the cleaning of 2 shipwrecks by divers in the German waters of the Baltic Sea and underwater documentation of the actions carried out.

The Contractor shall carry out underwater actions for the cleaning of the following 2 ship wrecks:

- Motorbarkasse BSH 176, depth: 8 m, geographical coordinates: 54° 17.640'N, 13° 34.0862'E
- Eimerkettenbagger, depth: 20 m, geographical coordinates: 54 ° 33,417'N, 14 ° 1,785'E

of the residual fishing gear and shall prepare underwater documentation of actions carried out.

The Contractor must have a certificate (licence or another document) of underwater works organiser and perform the subject of the contract in accordance with the provisions binding in Germany in the scope of performed underwater works.

The Contractor as the organiser of the underwater works shall ensure for the performance of the contract the dive team consisting at least of the head of underwater works and two divers and shall provide the equipment necessary to remove from the shipwrecks the residual fishing gear and equipment to document image of the seabed and the wrecks' clean-up action.

Underwater services will be performed at a depth of up to 20 m.

In the framework of the implementation of the subject of the contract the Contractor shall, in particular:

**MARELITT Baltic**

- carry out underwater clean-up action of 2 wrecks of the residual fishing nets in the designated locations in the German waters
- arrange with the Contracting entity the wrecks' clean-up method of the fishing nets
- document in photography and film the underwater actions
- document all fishing gear and other waste taken from the sea in accordance with the requirements of the monitoring sheet forming Annex 3 to the model agreement and forward documentation to the Contracting entity;
- provide written reports on each action, containing information on: the number of members of the crew, the date and time of the commencement of the action, the date and time of the completion of the action, the weather conditions, the date and time of casting/hauling fishing kit, quantities of hauled fishing kits, the length of the hauled nets, weight and the type of the recovered equipment; other observations;
- dispose of the recovered fishing gear and other waste in accordance with the instructions of the Contracting entity and provide to the Contracting entity the confirmation of disposal.
- participate in the Marelitt Baltic project meetings devoted to the theme of nets recovery techniques from shipwrecks (and travel and accommodation expenses shall be reimbursed separately by the Contracting entity, except of this contract)."

The Contracting Entity amends the time limit for submitting the bids:

**2) Point 12.1.b) of ToR obtains the reading:**

"b) time limit for submitting the bids: until **20.02.2018, until 12:00 hrs.**"

**3) Point 12.2.b) of ToR obtains the reading:**

"b) time limit for opening the bids: on **20.02.2018, at 13:00 hrs.**"

Other provisions of ToR have not been amended.
